

# St. Jude's Catholic Primary School - Homework

Topic: Colours of the World Reception Autumn Term

What? (Key Vocabulary)	
Spelling	Definition
Owl	Owls are specialised birds with round heads and rather flat or dished faces.
Nocturnal	If something is nocturnal, it belongs to or is active at night
Habitat	The natural home of an animal or plant.
Hibernation	The condition or period of an animal or plant spending the winter in a dormant state

## HOMEWORK PROJECT:

Please choose one

Can you...

- Make your own 3D owl.
- Make a 3D home for an owl.
- Using books or the internet, research three facts about owls.
- Go for an evening walk and discuss what you can see/hear.

Questions:

1. Where do owls live?
2. What do they like to eat?
3. Can you name the different types of owls?
4. What other animals are nocturnal?
5. What might you hear or see during the night?

## Parts of an Owl

Your projects are due in on **Monday 9<sup>th</sup> December** and will be shared with parents on **Wednesday 11<sup>th</sup> December** at 3.15pm in the school hall.
